The Quotation

3.1. Fixability shall provide to the Client a proposal for the services to be provided (“the Quotation”) which shall set out:

4.2. The services will be provided to the Client within the timeframe specified in the Quotation.

4.3. Time frames and dates of delivery are provided for guidance only and Fixability makes no guarantee that the services will be performed within the specified period. Invoices will be prepared either every month or upon completion of the works whichever is the sooner

5.2. Payment of the invoice will be made immediately either by card payment or by immediate electronic transfer.

5.3. Notwithstanding 5.1 and 5.2 above, Fixability may vary the contract price from the amount set out in the Quotation where they have provided services which are different or in addition to those set out in the Quotation either at the specific request of the Client or because he has been required to complete additional work which was not anticipated at the time the Quotation was made, or because of market fluctuations in the price of materials.
